DEALER APPLICATION
(Page 2 of 2)

Precision Designs requires Dealer's credit card information to be kept on file and up to date. Precision Designs does not use this credit card information for any other purpose than to process payments. Credit card is the only accepted method of payment. If Dealer has an outstanding balance, new orders cannot be placed until the account is paid in full.

The undersigned authorizes Precision Designs to verify the information presented herein. The undersigned authorizes Precision Design to process payment prior to the shipping of each order, using the credit card information provided at time of order. In the event that the payment does not go through after the order has been shipped, due to reasons on the undersigned's end, the account will be deemed delinquent. In the event of the aforementioned, the undersigned must provide new credit card information to Precision Designs immediately upon notification of the processing error. The undersigned agrees to pay all attorney fees and all other costs and expenses, including, but not limited to applicable restocking, storage, insurance and freight incurred by Precision Designs in the collection of any obligation of the undersigned pursuant hereto The undersigned agrees to comply with Precision Designs Dealer Terms and Conditions. This agreement may not be transferred or assigned without prior written consent of Precision Designs and shall become effective when accepted by Precision Designs.
